Project	Rempstone Village Hall
Sector	Public
Location	Rempstone Nottinghamshire
Client	Rempstone Parish Council
GNA Role	Project Management, Quantity Surveying ,CDM-c, Party Walls
Approx Value	£0.4m
Contract	IBC with quantities
Procurement Route	Traditional

Description

The replacement of the old dilapidate timber built village hall with a new purpose facility.

GNA acted as Project Co-ordinators, Quantity Surveyors, CDM-c and Party Wall Surveyors on this project supported by Big Lottery.

Key to the project was the maximisation of the restricted and awkwardly shaped site footprint to achieve occupancy levels of over 200. Acoustic performance was also important to allow live performance without affecting neighbouring properties.

GNA were instrumental in the successful application for Big Lottery funds and subsequent management of cash draw down.
