

Project	Boringdon Primary School
Location	Plymouth
Sector	Education
GNA Role	CDM-C
Approx Value	£1.2m
Contract	JCT - Design and Build
Procurement	D&B Single stage

The works to the school included primarily of the construction of 3 single storey detached classroom pods.

The existing temporary classrooms were also to be demolished.

GNA's role as CDM-coordinator was crucial to allow safe works to be undertaken at the school to ensure both the safety of the client and the contractor.
