GNA were appointed as Quantity Surveyors for the construction of the HMS Sherbrooke VC Training Centre in Chilwell, Nottingham.

The construction of the new training centre was part of the project to relocate HMS Sherwood from Chalfont Drive,

The new 3700 sqft facility will house the East Midlands Royal Navy Reserves and Royal Marine Reserves and serve as a training centre for cadets.

Works to HMS Sherwood also include an extensive refurbishment of the existing Foresters House.

Designed by Maber Architects and constructed by John Martin Hoyes Ltd, the new facility was officially open 26th April 2014 by HRH Prince Michael of Kent.
