Nottingham Care Village
Commercial / Residential
Spring Lane, Nottingham
Nottingham Care Village Ltd
Confidential

Located near Lambley, Nottingham, Nottingham Care Village is an existing purpose built Residential and Nursing Home built on 2 storeys with the rooms arranged around a central courtyard. GNA have been appointed cost consultant and QS.

The premises are currently being re-modelled and completely refurbished to bring the accommodation up to the CQC standards (Care Quality Commission) as required by law.

Upon re-opening in two phases early in 2014; the home will offer 52 rooms of providing residential and nursing care for elderly persons with dementia.

All rooms are designed to incorporate full en-suite facilities and alarm systems

The home is to be fully refurbished and equipped with a new kitchen and dedicated communal facilities to include a library and music room.
