**Sainsbury's Plc**  
**£250,000**

GNA was appointed as CDM-Coordinator by Sainsbury's Plc during the refurbishment of their HQ building in Holborn, London.

Designed by renowned architect Norman Foster, the building received refurbishment works for its car lifts over an 18 week period.

GNA provided Health and Safety advice and produced the projects PCIP and approved the principle contractors CPP to allow safe works to commence.

All works were completed on time and on budget and without incident in June 2012.
