

Project:	3 nr dwellings and garage structure
Sector:	Residential
Location:	Camp Road, St. Albans, Greater London
Client:	Private
Approx Value:	£0.6m

GNA were appointed as Quantity Surveyors (cost consultant & contract admin) for the construction of 3 new homes in St. Albans, Greater London.

The 3 storey semidetached buildings will be constructed on the land of a former commercial unit to be demolished with a large 3 birth garage structure also being constructed to the rear of the property.

GNA were appointed due to our experience and strength of delivery on previous residential new build projects both with the Client and Midland Cooperative.
