

Project: **New Cadet Training Centre**
 Sector: **Public / Government**
 Location: **Wilford Lane, West Bridgford, Nottingham**
 Client: **EMRCFA**
 Approx Value: **£1.1m**

Taking little over 6 months, the new cadet training centre, off Wilford Lane in West Bridgford, includes a training room, lecture room, radio room and two stores.

It will be used by the 80 young people in the Army Cadet Force (ACF) and the Air Training Corps (ATC).

The cadets previously used two temporary buildings on the Wilford Lane site, which they lease from Rushcliffe Borough Council.

The East Midlands Reserve Forces and Cadets Association (RFCA) has project managed the construction of the building, with John Marin Hoyes as the contract, Maber as the Architects and GNA Surveyors as the quantity surveyor and cost consultant.
